

# Take Your Parish Beyond Sunday!

Countless Catholics settle for a faith that doesn't go farther than the Sunday Mass. Although essential, Sunday Mass alone isn't sufficient for a vibrant faith and growing parish. In *Beyond Sunday: Becoming a 24/7 Catholic*, Catholic radio and TV host Teresa Tomeo gets real about what it takes to live a distinctly Catholic way of life. Through her very down-to-earth, practical style of writing, study guide and videos, Teresa provides a way to inspire parishioners to live out their faith 24/7. *Beyond Sunday* is much more than just another self-help program; it's a movement of the New Evangelization that is spreading across America because of its simple and very relatable approach. It meets the busy, everyday Catholic no matter where they're at and moves them to embrace their faith as a way of living and leads them to a personal relationship with Christ.
